Summer camp is a time for us to be active and enjoying the outdoors. We encourage all "campers" to come to camp prepared to **PARTICIPATE** in all the fun adventures that we have to offer.

We strongly recommend that "campers" wear *athletic shoes* to camp, or bring them to camp. Non-athletic shoes may prevent 'campers' from joining in on the fun!

**“M. Childs” Award**

For the month of June 2018, we have a very special participant who exhibits good behavior and displays a positive attitude along with excellent academic performance.

**What's the Issue?**

Children Riding in the Front Seat...

In Georgia, **children under the age of 13 must ride in the back seat of the vehicle.** The only exception to this rule is for trucks with bench seats that do not have a back seat. In this case, there should be no more than three people in the front seat, including the driver.

In every case, children must be in proper child restraints based on their height and weight.

I will respect the rights of others. I will learn something to day because today matters and my future is built on "now" at a time.
