Giving Thanks!

In the month of November and of giving "thanks", we realize the importance of a simple gesture like saying "Thank You" or a display of "thanks". We encourage everyone to let someone in their lives (past or present) know how much you appreciate (or have appreciated) them.

Personally, I'm going to take this month to thank several individuals who have positively impacted my life. Often we assume that people know how much we appreciate them without ever uttering a word. We need to display our appreciation.

So this month, let's make a concerted effort to make our appreciation known...make a phone call, send a greeting card, or help someone in need.

Through our interaction with our participants and parents, we see the power of appreciation at work. When our participants feel the "appreciation" of Kreative Kidz that motivates their desire to achieve their goals and work hard. We are very thankful to have the opportunity to teach this very important virtue.

We wish all a blessed and thankful holiday season.

"M. Childs" Award

For the month of November 2018 we have a very special participant who exhibits good behavior and displays a positive attitude along with excellent academic performance.

Trenton Adams is 7 years old and is in 2nd grade at Campbell Elementary. Trenton likes the color blue and he likes to play basketball. He likes to watch Gravity Falls and eat mac and cheese. Trenton likes to listen to a variety of music and his favorite subject in school is math. He wants to be a professional ball player when he grows up and Trenton's role model is his sister Taniya. The best things about Kreative Kidz that Trenton likes is doing homework.

Congratulations! Each "Kid" of the Month will receive a \$5 gift card from Chick-Fil-A.
