## Challenging Kids To Make Something...

### 5<sup>th</sup> Grade Graduating Class Award!!!!

We at Kreative Kidz believe that a strong academic background is the foundation for every successful child's future. With that said, Kreative Kidz has partnered with *Campbell Elementary and Chattahoochee Hills Charter School* in recognizing their students for outstanding academic performance. An annual Kreative Kidz award will be presented at the end of the school year to each school's male and female participant with the *highest grade point average* in the fifth grade.

The criteria for selection is based upon those participants who excel academically, exhibit exemplary behavior and a positive attitude, display good sportsmanship, teamwork, and creativity, and is an overall scholastic achiever.

We appreciate the opportunity to partner with each school and look forward to partnering with several other schools in our service area in the future.

#### Want To Make A Difference?

Children, too, can make a difference in our world. Children should be given opportunities to give back. As parents, we should instill and model compassion and humility in our children. Below are some ways children can make a difference:

- Send letters or cards.
- Donate gently used clothing, books, and toys
- Turn it off. Save energy and water.
- Pick up behind yourselves, everywhere.
- Visit a senior center.
- Upcycle. Find ways to reuse items.
- Donate to a cause special to you.
- Be kind to others
- Help someone in need.
- Smile!
